ERRATUM

Open Access

# Erratum to: Phenotypic differentiation of gastrointestinal microbes is reflected in their encoded metabolic repertoires

Eugen Bauer, Cedric Christian Laczny, Stefania Magnúsdóttir, Paul Wilmes and Ines Thiele\*

## Erratum

Upon publication, a mistake in Additional file 2: Figure S1 was found in the original version of this article [1]. This mistake has been corrected in the below figure and did not result in any major difference in the authors' conclusions.

## Additional file

**Additional file 2: Figure S1.** Comparison between a set of our draft reconstructions and a set of published manually curated reconstructions. (TIF 13.1 mb)

Submit your next manuscript to BioMed Central and we will help you at every step:

- We accept pre-submission inquiries
- Our selector tool helps you to find the most relevant journal
- We provide round the clock customer support
- Convenient online submission
- Thorough peer review
- Inclusion in PubMed and all major indexing services
- Maximum visibility for your research

Submit your manuscript at  
[www.biomedcentral.com/submit](http://www.biomedcentral.com/submit)
